

EcoElla Promise

EcoElla & Friends (Pty) Ltd cares about our planet & creating a better future for our little ones. We believe in only partnering with companies or individuals that make or sell ECO-FRIENDLY, NATURAL & PLASTIC-FREE baby products as defined below:

- ✓ Contain NO plastic (including packaging, as best we can) & are free from Polyvinyl Chloride (PVC), Bisphenol A (BPA), Polypropylene (PP), Nitrosamines, Lead, Cadmium & Phthalates.
- ✓ Made of natural materials like rubber, cornstarch, rice, bamboo (organic or certified), wood (non-toxic finish), wheat straw, food-grade silicone, glass, steel & organic cotton.
- ✓ Protect the planet & its inhabitants, big & small.
- ✓ Not harmful to the environment.
- ✓ Non-toxic or chemical-free.

To the best of our knowledge & ability, we endeavour to ensure that all our products comply with the *EcoElla Promise*.
